General update from the club and voting on the committee members.

Attendance

Present	Apologies
Jon Flatman	
John Bird	
Group members – names available	

Agenda, Discussions, Issues

Topic / Discussion Notes	Discussion led by
1. Welcome	
JF welcomed everyone to the meeting.	JF
2. Previous minutes	
The minutes from the previous meeting on the 29 th February 2024 were proposed by Lucy Thorpe, seconded by Kelly Drury as agreed as a whole by the group.	JF
3. Horsham refund	
JF confirmed that the match ticket price will be refunded to supporters' accounts in due course.	JF
4. Safe standing update	
JF confirmed the safe standing areas would be in OR1 in the Norman Rimmington South Stand and NS1 in the Barry Murphy North Stand. Application is still on going. SAG have approved the process, and the application is with the SGSA. There would be a 1-2 week turnaround so if the work isn't completed before the start of the season, it can still be completed during the season. If we are to add more safe standing in the future, another application would have to be completed but the process should be quicker.	JF
5. Voting on committee members	
Before voting commenced, JF read an email out from a supporter who had raised concerns. <i>1. The supporters trust has two positions on the committee - should we without being elected?</i> The room agreed that it is important to have the trust on there. Two spaces for the trust and then any other members of the trust committee who are voted into the other positions would be representing that position and not the Supporters Trust. Stop the trust having a monopoly on the FAB. <i>2. There is little to define how the group will engage with BFC supporters? There is no accountability for members who do not engage with the supporters or attend meetings. No commitment for the advisory group to grow.</i> Need to look at finalising the way to feed into the group once the committee has been set up. It is too early to finalise the process although the elected person will have an email address which will be advertised for supporters to contact.	JF

TOR to be reviewed once the committee has been setup.			
Chairperson would respond to these types of questions moving forward. Chairperson to be selected from the members who are voted in. This might be too much work for someone to be the chair and a representative so this will be reviewed moving forward and the elected position might have to be given up.			
Voting completed and the votes to be counted and reviewed next week.			
6. Season ticket update			
Extended the early bird period due to the uncertainty of league and team management. Club are keen to promote the importance of the season ticket to the budgets set for the season.			JF/JB
7. Stadium Capital Expenditure			
We currently have a full structural survey of the ground which is being completed. Next month we should have a plan of what we are looking to do and in which areas. Design work is ongoing. Areas of improvement which are being considered but not limited to are: • East stand cladding on the lower tier. • Fanzone. • Hospitality area upgrades. • Lift upgrades. • General Maintenance. • Solar panels on the South Stand roof. • Floodlight upgrade. • Fire alarm upgrade. Full list of works to be provided, along with costings, once completed. There will be no resource put to opening the other half of the West Stand at this current time. There will be communication to the fan base on key milestones during the upgrades.			JF
8. PR announcement			
How do we communicate this announcement of this committee to the wider fan base? Committee to decide on the announcement once they have been voted in.			JF
9. AOB			
Looking at a standard communication to the supporters on a monthly basis. Fixture moves should be more in advance now with the new Sky Sports deal. JF to feedback more information to the group on the new Sky Sports deal. Contact JF or JB if anyone has any questions. No timeframe on the new manager. Retained list early next week. Barnsley FC is a Place of Possibilities!			JF
10. Close – 9.00pm			
Action Items			
Action		Responsible	Due Date
Collate the votes		JB	ASAP
Inform the successful candidates that they have been voted on		JB	ASAP
Distribute meeting dates to the committee		JB	ASAP
Next Meeting			
Date:	17.07.2024	Time:	6pm
Location:	Microsoft Teams		
Objective(s):	The next meeting will be with the newly formed committee.
