Agenda, Discussions, Issues			
Topic / Discussion Notes			Discussion led by
1. Minutes and feedback from last meeting			
MW – Intouch programme about accessible comms has been put to one side at the minute. Going to contact Stephanie Peacock to discuss. JF to provide contact details. PG – Questions to be compiled and sent to JF for the ownership group. SB – meeting about the Terms of Reference to be carried forward along with meeting other supporter groups. Meeting to be arranged before the next FAB. SB – Meeting with David Wood, club historian, to discuss the blue plaque. Crowdfunding discussed to cover the coats which was agreed by the group. SB – Met with Daniel Simms for a conversation about the fan survey. SB said to go away and pick 3 main items from the results to work on.			
2. Disabled Seating			
JB updated the group on the conversations with supporters who have seats in the disabled corner stand. The box office has been contacting the supporters to discuss their views, seating arrangements and access routes.			
3. Bluetooth Auracast audio system			
PH – things are moving with the technology, but it is still early days. Early tests have proved the system can transmit good quality of sounds. PH will keep the group updated on the developments with the technology.			
4. Fanzone			
Planning has been granted. More accurate financial costings have been provided, and the project is currently paused. A new business plan will be written and a viability study undertaken. The Fanzone will be the same as previous but increased in size. JF stated that the Fanzone is important however it must be financially viable as the monies could be transferred to additional fan related projects.			
5. BFC - Women & Girls			
HL – how can we promote more women and girls to attend matches at Oakwell. Community trust to continue to promote women and girls’ participation. FAB to come to the club with ideas on how to grow this segment of the supporter base.			
6. Fanatics			
CL described the problems faced during the away shirt launch and placing an order. JF explained that there was a human error which led to the issues, but Fanatics resolved the problem within 24 hours which should be noted. Feedback on the OXEN shirts is positive. JF to see if the MD of OXEN will come to a FAB meeting to discuss their journey.			

7. Food and drink prices					
PG – prices have been frozen although supporters were asking for a decrease. The club have reduced the price of Madri before the start of the match as a trial. Many clubs have increased their prices for the 2025/26 season.					
8. AOB					
MW had an issue at Plymouth with the commentary headset on offer. Ended up listening to the match via BBC local radio. JF discussed the Independent Football Regulator and the potential changes now the IFR is in place. JF updated the group on the Field of Vision trial and is sure that this will be one of the projects which will be taken forward. CLUB to discuss with MW.					
Closed – 20:10
