SB – window more successful than in previous seasons which supporters have been feeding back in. DW – Well done on the window – are there any contracts which are going to be renewed? MS – we are working on that as well as identifying new targets. RH – thank you for doing the media piece as it isn't something you always see from football clubs. HL – do we cover non-league? MS – yes we do. We have recently brought back Brian Young who will be looking at non-league. PG – ho do you know where our budget ranks with other clubs? Benchmarking is sent out by the EFL which shows where we are in line with other clubs in the league. CC – window seemed to work better with Conor. MS – yes, we got the deals done quickly. Incident acknowledged, this is a legal matter concerning Fanatics, club insurers and the injured party. We are unable to comment any further.			
4. Match ticket promotional pricing			
AW through that the offer for the Burton Albion fixture was good but this was followed up with two higher priced fixtures against Bolton Wanderers and Huddersfield Town. JF explained that we budget for the bigger games to be CAT A games and that it is unfortunate on when these games have fallen in the schedule.			

We also look at having other offers through out the season with the bring a friend for £10 games and the newly introduced CAT C games.

DW contacted a fan group to see if the FAB can help with a proposed mural on the approach to Oakwell from town. JF said that the Barnsley Way project is back on the agenda and will provide more information as things progress.
